FIRE WITH FIRE

Dani and Eden Rivera were both born to kill dragons, but the sisters couldn't be more different. For Dani, dragon slaying takes a back seat to normal high school life, while Eden prioritizes training above everything else. Yet they both agree on one thing: it's kill or be killed where dragons are concerned. Until Dani comes face-to-face with one and forges a rare and magical bond with him. As she gets to know Nox, she realizes that everything she thought she knew about dragons is wrong. With Dani lost to the dragons, Eden turns to the mysterious and alluring sorcerers to help save her sister.

Now on opposite sides of the conflict, the sisters will do whatever it takes to save the other. But the two are playing with magic that is more dangerous than they know, and there is another, more powerful enemy waiting for them both in the shadows.

BENEATH THE CITADEL

In the city of Eldra, people are ruled by ancient prophecies. For centuries, the high council has stayed in power by virtue of the prophecies of the elder seers. After the last infallible prophecy came to pass, growing unrest led to murders and an eventual rebellion that raged for more than a decade.

In the present day, Cassa, the orphaned daughter of rebels, is determined to fight back against the high council, which governs Eldra from behind the walls of the citadel. Her only allies are no-nonsense Alys, easygoing Evander, and perpetually underestimated Newt, and Cassa struggles to come to terms with the legacy of rebellion her dead parents have left her — and the fear that she may be inadequate to shoulder the burden. But by the time Cassa and her friends uncover the mystery of the final infallible prophecy, it may be too late to save the city — or themselves.

IRON CAST

In 1919, Ada Navarra—the intrepid daughter of immigrants—and Corinne Wells—a spunky, devil-may-care heiress—make an unlikely pair. But at the Cast Iron nightclub in Boston, anything and everything is possible. At night, on stage together, the two best friends, whose “afflicted” blood gives them the ability to create illusions through art, weave magic under the employ of Johnny Dervish, the club’s owner and a notorious gangster. By day, Ada and Corinne use these same skills to con the city’s elite in an attempt to keep the club afloat.

When a “job” goes awry and Ada is imprisoned, she realizes they’re on the precipice of danger. Only Corinne—her partner in crime—can break her out of Haversham Asylum. But once Ada is out, they face betrayal at every turn.
